

Regrouping for Addition

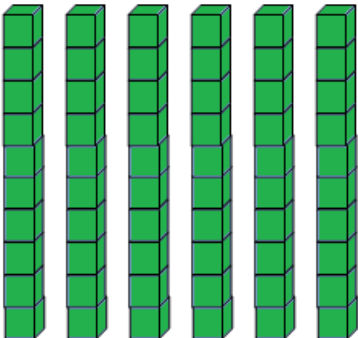

Add 34 and 29

	Tens	Ones
34		
29		

You can make a ten, so regroup

	Tens	Ones
34+29		

So the sum will be:

	Tens	Ones
63		

6 tens 3 ones
63

My Real Life

Examples:

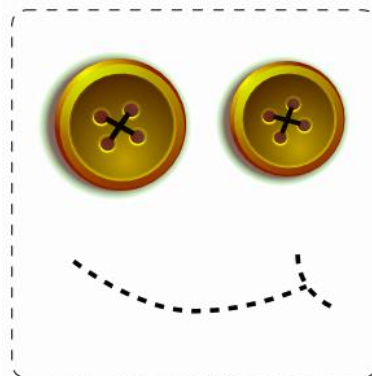

Count on to add. Write the number sentence.

- A) There are 63 paper clips on the table. Amer puts 20 more on the table how many paper clips are there in all?

$$\underline{63} + \underline{20} = \underline{83} \text{ paper clips}$$

- B) Nadine has 31 buttons. Her mother gives her 2 more. How many buttons does Nadine have in all?

$$\underline{31} + \underline{2} = \underline{33} \text{ buttons}$$
