

Subtract 2-Digit Numbers

You can subtract a one digit number from a two digit number.

STEP 1 check if there is enough ones

STEP 2 Regroup 1 ten as 10 ones

STEP 3 Subtract the ones

STEP 4 Subtract the tens

Example 1:

Subtract $24 - 8$

We have 4 ones only and we need to subtract 8 ones, so we will regroup 1 tens

You can subtract a one digit number from a two digit number.

STEP 1 check if there is enough ones

STEP 2 Regroup 1 ten as 10 ones

STEP 3 Subtract the ones

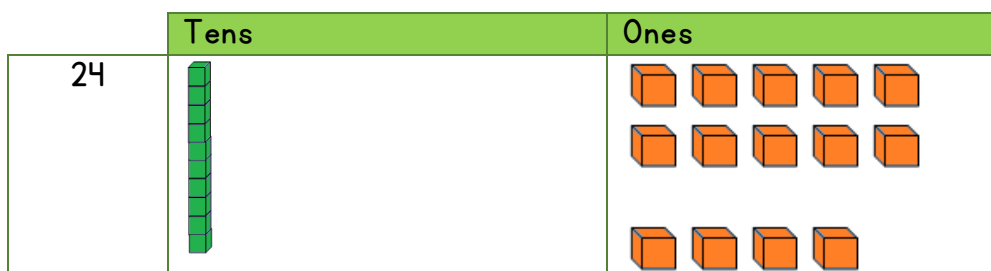

STEP 4 Subtract the tens

Example 1:

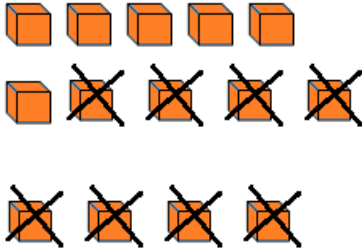

Subtract $24 - 8$

We have 4 ones only and we need to subtract 8 ones, so we will regroup 1 tens

Subtract 8 ones from 24, the result will be

	Tens	Ones
24 - 8		

You have one ten 6 ones

$$24 - 8 = 16$$

You can subtract a two digit number from a two digit number.

STEP 1 check if there is enough ones

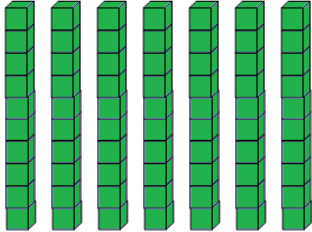

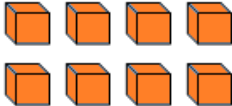

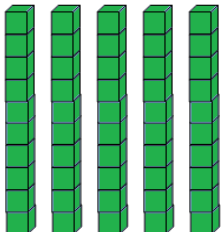

STEP 2 Regroup 1 ten as 10 ones

STEP 3 Subtract the ones

STEP 4 Subtract the tens

Example 2:

Subtract 78 - 53

	Tens	Ones
78		
53		

You have 8 ones in 78 and we need to remove 3 ones to subtract 53. There is enough ones so no need to regroup.

You have to cancel 5 tens and 3 ones from 78

Subtract 8 ones from 24, the result will be

You have 2 tens 5 ones
 $78 - 53 = 25$

Example 3:

Use the hundreds chart. Remember Subtract. Move up 1 row for each ten you subtract.

1) $34 - 10 = \underline{24}$

2) $25 - 20 = \underline{5}$

3) $41 - 30 = \underline{11}$

4) $53 - 20 = \underline{33}$

5) $85 - 30 = \underline{55}$

6) $49 - 30 = \underline{19}$

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

My Real Life

A) On Saturday morning 32 cars and 15 vans came to the car wash. How many more cars than vans came?

Tens	Ones	
2	12	
3	2	<u>17</u> more cars
-	1	
1	5	
1	7	

B) The car was costs 45 AED. Mr. Ahmad has 27 AED. How many more dirhams does he need for a car wash?

Tens	Ones	
3	15	
4	5	<u>18</u> AED
-	2	
1	7	
1	8
